

D-FENCE D-MARK

ARCHITECTURAL WELDED MESH SYSTEM

DESCRIPTION

D-FENCE D-MARK is a sophisticated and contemporary solution for all your demarcation needs, enhancing your property with a premium look that goes beyond traditional woven fences. Combining smart functionality with a modular design, D-FENCE D-MARK ensures easy assembly on site.

- **Modern Design**
- **Modular Construction**
- **Customizable**
- **Versatile**

Ideal for various applications across the USA, this durable and sustainable fencing system provides an affordable way to safeguard your perimeter with style and efficiency.

Protect your perimeter with confidence as D-FENCE D-MARK is backed with a 15 year warranty providing superior corrosion resistance and peace of mind.

Choose D-FENCE D-MARK for a simple yet elegant fencing solution that embodies the values of aesthetics, functionality, modularity, and sustainability, tailored for the American market.

FEATURES

AESTHETIC APPEAL

The proportionally spaced wire mesh creates an attractive pattern, enhancing the visual appeal of your property's perimeter.

DURABLE CONSTRUCTION

Made from galvanized steel wires that are powder coated, the welded mesh provides superior life and weather resistance.

COLOR OPTIONS

Available in various colors such as Green, Red, Yellow, and White, allowing you to match the fence to your desired style.

OPTIONAL FEATURES

Customized Bendtop option

Seamless connections for all direction changes

Versatile post options

Capable of integrating additional features to make it a smart fence
